## IMPORTANT NOTES

We would like to draw your attention to important features of Your policy including:

**Material Facts:** You must declare to Us all Material Facts that are likely to affect this insurance. Failure to do so may prejudice entitlement to claim. If You are uncertain as to whether a fact is material, You should declare it to Us by calling Our Travel Helpline on 01444 442442. Please refer to the definition of a 'Material Fact' in the Meaning of Words.

**Health:** This policy contains restrictions regarding Pre-existing Medical Conditions which unless declared and accepted by the Insurers in writing prior to travel may invalidate any subsequent claim. If You are in any doubt as to whether You would be covered by the policy please call the Medical Screening Helpline on 0870 737 5827.

**Changes in health or medication:** You must contact Us and declare any changes in Your health or Your medication that occur between the date You take out this policy and the date You start any trip.

**Special Sports & Activities:** This policy specifically excludes participating in or practising for certain sports and activities. Your policy can be extended to cover some of these sporting activities (as detailed under the Optional Special Sports & Activities Cover Section) when You have paid an appropriate additional premium. Your policy can be extended before departure from the UK Area. If You are going to take part in special sports and activities, where there may be a high risk of injury or if You are in any doubt as to whether cover will apply, please call the Insure2travel helpline on 02920 668686.

**Age Limit:** No Section of this policy shall apply in respect of any person who has reached the age of 80 years, or 65 years in respect of annual multi trip or Long Stay policies, at the commencement of the Period of Insurance.

**Trip Limits:** This policy contains strict limits on the length of time You can spend travelling abroad on each Trip.

Please refer to the definition of the 'Trip' in the Meanings of Words. **TRAVELLING OR INTENDING TO TRAVEL IN EXCESS OF THE TRIP LIMITS WILL INVALIDATE ANY CLAIMS RELATING TO THAT PARTICULAR TRIP.**

Trips must commence and end in the UK Area and a return ticket must have been booked prior to departure.

**Medical Emergency:** In the event of a medical emergency You must contact Us as soon as possible. You MUST contact Us before incurring expenses in excess of £500. If You are physically prevented from contacting Us immediately, You or someone designated by You must contact Us within 48 hours.

**Pregnancy:** No cover is given under Sections 1, 2, 3, 4 and 5 of this policy shall apply in respect of any claim arising from pregnancy within 8 weeks (or 16 weeks in the case of a known multiple pregnancy) of the estimated date of delivery.

**Third Party Liability:** If You use a motorised vehicle, (e.g. car, motor cycle, moped or scooter) sail or powered boat, or an airborne craft, no liability cover will apply under this policy and You must ensure that You have cover for third party injury or property damage in place.

**Personal Possessions:** While this policy provides cover for Your Personal Luggage, if You are planning to take expensive items such as sophisticated photographic equipment, jewellery and other Valuables with You then You should check that You have adequate personal possessions cover, under a home contents insurance.

The maximum We will pay under this policy for Valuables owned by each Insured Person is limited to £250 (or £100 if the Insured Person is aged under 16). Personal Luggage claims are paid based on the value of the goods at the time that they are lost and not on a 'new for old basis' or replacement cost basis; thus a deduction is made for wear, tear, and depreciation. Payment of any claims in respect of any one article or Pair or Set of articles will be limited to £50 unless satisfactory proof of ownership is submitted. Evidence of replacement value is not sufficient.

**Policy Limits:** Most Sections of Your policy have limits on the amount the Insurer will pay under that Section. Some Sections also include other specific limits, for example: For any one item or for Valuables in total. You are advised to check Your policy.

**Policy Excess:** Under most Sections of the policy, claims will be subject to an excess. This means that You will be responsible for paying the first part of the claim up to the excess value per Insured Person each and every incident, each and every section of cover. A definition of Policy Excess is in the Meaning of Words.

**Reasonable Care:** You need to take all reasonable care to protect yourself and Your property, as You would if You were not insured.

#### IMPORTANT STRICT MEDICAL HEALTH REQUIREMENTS

You must comply with the following conditions in order to have full protection under this policy. If You do not comply We may, at Our option, cancel the policy, refuse to deal with Your claim or reduce the amount of any claim payment. This insurance operates on the following basis:

1. To be covered, You must be healthy, fit to travel and to undertake Your planned Trip;
2. The insurance will NOT cover You when You are travelling against the advice of a Medical Practitioner (or would be travelling against the advice of a Medical Practitioner had You sought his/her advice);
3. The insurance will NOT cover You when You are travelling with the intention of obtaining medical treatment or consultation abroad.
4. The insurance will NOT cover You if You have any undiagnosed symptoms that require attention or investigation in the future (that is symptoms for which You are awaiting investigations/consultations, or awaiting results of investigations, where the underlying cause has not been established).

No claim arising directly or indirectly from a Pre-existing Medical Condition affecting You will be covered unless: You have declared that condition to Us; and You have declared any changes in Your health or prescribed medication; and We have accepted that condition for insurance in writing.

Each Insured Person who has a Pre-existing Medical Condition must make a Medical Health Declaration before each Period of Insurance and, if there are any changes in Your health or prescribed medication, prior to commencement of the Period of Insurance or departing on any Trip. Failure to declare any Pre-existing Medical Condition that is relevant to the insurance may invalidate the policy. We may require You to obtain a medical report from Your General Practitioner or Consultant in order to assess whether cover applies. Any costs incurred in obtaining this medical report shall be borne by You. Based on Our assessment of the medical information supplied to Us, We will decide whether or not the person is suitable for insurance, if certain exclusions or restrictions should be imposed, or if cover can be offered subject to the payment of an additional premium. If We offer cover, and, if the cover is subject to the payment of an additional premium, cover will not commence until full payment has been received by Us and written confirmation has been provided by Us. To declare a Pre-existing Medical Condition or a change in Your state of health or prescribed medication, You should contact Us during office hours on: 0870 737 5827. This policy will NOT cover any claims under Section 5 (Cancellation, Curtailment or Trip Interruption) arising directly or indirectly from a Pre-existing Medical Condition, known to You prior to the commencement of the Period of Insurance, affecting any Close Relative, travelling companion who is not insured under this policy or person with whom You intend to stay whilst on Your Trip: for which they have required surgery, inpatient treatment or hospital consultations, or have been prescribed medication or undergone any treatment during the 90 days immediately prior to the commencement of the Period of Insurance; or if they were on a waiting-list for, or have knowledge of the need for, surgery, inpatient treatment or investigation at any hospital or clinic at the commencement of the Period of Insurance; or if a terminal diagnosis had been received prior to the commencement of the Period of Insurance.

You should also refer to the General Exclusions.

#### EMERGENCY ASSISTANCE 24 HOURS A DAY

You should first check that the circumstances are covered by Your policy. Having done this please contact the appropriate 24-hour telephone number shown after the appropriate Section of cover. Give Your name, insurance details, and as much information as possible. Please give Us a telephone, fax or telex number where We can contact You or leave messages at any time of the day or night. To comply with the terms and conditions of the insurance You must obtain Our prior authorisation before incurring any expenses over £500. In case of emergency, if You are physically prevented from contacting Us immediately, You or someone designated by You must contact Us within 48 hours.

TRIPS TO MAINLAND SPAIN THE CANARY (Tenerife, Gran Canaria, Fuerteventura, Lanzarote, La Palma, Gomera and El Hierro) AND THE BALEARIC ISLANDS (Cabrera, Majorca/Mallorca, Menorca, Formentera, Ibiza) 24 HOUR EMERGENCY SERVICE

When away from Home, it is most important that You have immediate access to professional medical attention in the event of an emergency. With this in mind, We have put in place, for Your benefit, a network of medical professionals throughout Mainland Spain, the Canary and the Balearic Islands, at Your service 24 hours a day, 7 days a week. This is supported by a 24 hour medical emergency service, which can direct You to these professionals, and which will also follow Your case through from the moment You enter hospital until You are released and, in more serious cases, until You are safely repatriated (accompanied, if deemed medically necessary, by one of Our medical team).

4 In addition, no Policy Excess will apply when You receive inpatient treatment (where medically necessary) at: a) one of Our network hospitals, or b) a state hospital when You have used the E111 to effectively reduce the cost of Your medical treatment or medicines. For further information:
